

# Morant Bay High School

October 14, 2020

We have completed the first eight (8) days of this term and our students are quickly learning how to operate in an online environment. We have registered over 90% of our students on the Google Classrooms Platform (our Learning Management System- LMS)

The mid-term break will be from **October 15 -19, 2020**. School will resume on **Tuesday October 20, 2020**.

We thank all teachers who have monitored the implementation of the LMS. The assistance given to parents and students during this transition period is greatly appreciated.

We are asking all parents to exercise their usual patience as we continue to provide quality education to all students at this time.
